English, Education and Employment: Connecting the dots

You might have come across the statement that "English is the language of the elite". However, this notion is changing. Our latest piece is an analysis of spoken English in Budget Private Schools through the Bolo English project. This project aims to equip students from low-income backgrounds with spoken English, by providing them free access to premium mobile free applications.

Lives Vs Livelihoods: The story of women street vendors in Delhi

The lockdown has delivered a deadly punch to the informal sector. However, even in this segment, a gender imbalance is visible. Centre for Civil Society recently held a discussion with 24 women street vendors from Delhi, and uncovered how Covid-19 has impacted them. This article analyses the battle of lives vs livelihoods being fought by women street vendors in Delhi.

Swatantra Party: India's First Liberal Party | Indian Liberals

Swatantra Party was the first political party in India to openly endorse liberal values and market-friendly economic policies. Through its tenure of 15 years, the party exercised wide reach throughout India, and exerted significant pressures on issues ranging from industry to foreign policy. It came into existence on 4th June 1959, and we recently commemorated 62 years of that historic moment. Watch this video to know more!
